I was really surprised when I read the e-mail.

The director of magazine's company answered me that my story for their magazine was accepted, and soon will appear in a new English-language magazine for young people. This was shock for me, because I dreamt about it for about five years! And now, my dreams become true! I called all my friends to said about this news. They were really happy for me, and said a lot of warm words with smiling on their faces. I was really excited and after this my parents came into my room with celebrating. I began to cry, then my parents hug me and said "You are really good writer" and kissed me.

I go to it for 5 years and my dreams came true. I advise you to go for your dreams. I made a lot of mistakes, but its OK. All people makes mistakes.
